A \$3,000,000 CITY FOR 30,000 PEOPLE AT CAMP MERRITT

The Rich Gave Up Picturesque Country Homes in Jersey to Create It

(Special From a Staff Correspondent of The Evening World.)

CAMP MERRITT, TUCKER, N. J., Sept. 26.—This little town of Tucker, in the War Department is building a big city for 30,000 people. It is a city of the future, a city of the future, a city of the future.

"Cape"—a name derived from the Cape of Good Hope—designates a glove-skin used whole and dressed right-side-out, or "glace." If it's a Fownes Cape it designates the genuine Cape skin from Africa, making the smartest, strongest, best fitting gloves procurable. Washable, too.

"Standard equipment" for officers and civilians—

It's a FOWNES

that's all you need to know about a GLOVE.
